The ISR Open House format will be a virtual tour of [SR Programs and](#)

**Services**, providing a glimpse at how our centralized Intake Specialist works with island residents to assess their most urgent needs and route them to the resources under the ISR tent.

Staff and volunteers connected with each of ISR's programs and services will provide an overview of the service and eligibility. There will be plenty of time for questions following the tour. Collaborating organizations and interested members of our Island County communities are welcome to attend. We encourage participation from both Whidbey and Camano Islands.

At the beginning of the pandemic, ISR transformed its services to easy online and phone access. ISR has seen a dramatic increase in the demand for services during the pandemic. We continue to respond to the evolving circumstances associated with the pandemic, such as helping housebound seniors get vaccinated.

Island Senior Resources is the primary provider of services that began in 1973 with the start of the Older Americans Act. ISR provides programs such as Meals on Wheels and Information and Assistance, now known as Aging and Disability Resources, and medical transportation. ISR serves all of Island County supported by over 300 volunteers and 60 employees. ISR is a private nonprofit directed by a community-based Board of Directors.

You are invited to join us for the **Island Senior Resources Online Open House on June 4**. See you there!
