Island Senior Resources is the trade name for Senior Services of Island County. We are the only private nonprofit in northwest Washington that provides the array of resources we do. Established in 1972, Island Senior Resources is a private 501 (c)(3) not-for-profit organization.

Our Mission

To provide resources that enhance the emotional, social, and physical well-being of seniors, adults with disabilities, and those who care for them.

Our Vision

Island Senior Resources envisions strong communities where seniors, adults with disabilities, and those who care for them are valued, heard and seen, cared for and about, afforded respect, treated with dignity, and supported to live their best life.
