

Island Senior Resources

ANNUAL IMPACT REPORT

July 2019 - June 2020

In the right place, at the right time, to save, heal, and improve lives

-  Your contributions, along with the hard work of ISR's **56** employees and **458** volunteers, allowed us to connect with and support those who need our help throughout our community.
-  Life changed in March, and the demand for ISR's services nearly doubled. During the COVID-19 crisis, ISR has risen to meet the rapidly expanding needs of seniors, adults with disabilities, and those who care for them. We have accomplished this through collaboration with key community partners and by adapting our services to fulfill community needs in these unprecedented times.

A portion of the cost of printing and mailing this report was covered by designated corporate underwriting.

Our Vision

Island Senior Resources envisions strong communities where seniors, adults with disabilities, and those who care for them are valued, heard and seen, cared for and about, afforded respect, treated with dignity, and supported to live their best life.

Did you know?

You funded care for approximately **10,000** clients, which is about **1 out of 7** people on Whidbey and Camano Islands.

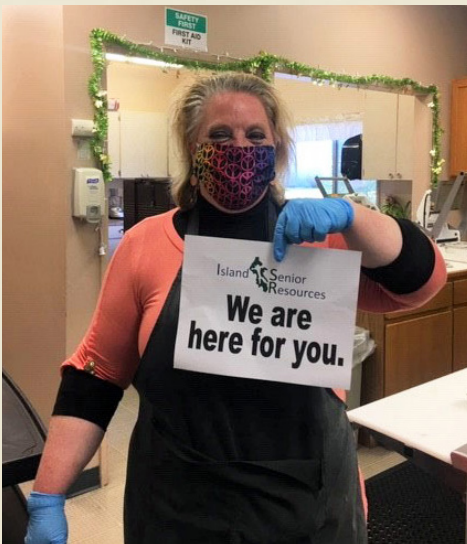

Equity Statement

As an organization serving the essential needs of Island County seniors, adults with disabilities, and those who care for them, Island Senior Resources is committed to inclusion, equity, diversity, and justice.

We value, respect, and support individuals of every race, ethnicity, gender identity, sexual orientation, ability, age, socio-economic status, religion, and national origin.

We are continually learning and challenging our own assumptions and biases.

We invite all members of our community to join us in being informed, active allies, speaking up, acting peacefully, and being in solidarity with the diverse communities that make up the whole of who we are.

A man in a blue and white checkered shirt and denim shorts is walking away from the camera on a sandy beach towards the ocean. The sun is setting, creating a warm, golden glow over the water and sky. The waves are gentle, and the overall mood is peaceful and contemplative.

Connection

Many of the more than 7,000 meals we deliver monthly come with a face-to-window-to-face encounter. Clients wait by their doors to be seen in a time when family cannot travel to visit. We serve many who are ill, food-insecure, financially impoverished, and isolated. You fund that connection.

Support

Since the pandemic hit, as the needs of our community have grown and become more complex, phone calls with our Resource Specialists have doubled in length. You fund that support.

Answers

Our staff helps caregivers, adults with disabilities, and seniors understand and navigate resources such as veterans' benefits, Social Security, disability services, affordable housing, and transportation for groceries, medications, and doctor's appointments. You fund these answers.

Community

With the installation of a new industrial walk-in freezer, as well as backup solar generators, we now have storage for 8,000 frozen meals, which can be ready for any disaster on Whidbey or Camano Islands. You fund that resource for our community.

Thank you to all of our funding partners!

We are a donor-funded nonprofit. We are grateful for every dollar and every hour of time donated by people like you. Each gift of time, money, or mission endorsement, regardless of size, is a beautiful act of our donors. We are an island community. We help each other. We thank each other. Our tremendous effort this year is funded by you. Thank you. If you are not yet a donor, might you become one today?

Each category of giving has been named, with care, for a tree that is native to Island County.
