About Us

We provide essential resources for seniors and adults with disabilities, their families, and caregivers, throughout Island County. We are the only private nonprofit in northwest Washington that provides the array of resources we do.

Island Senior Resources is an independent nonprofit 501(c)(3) that has been serving Island County since 1972. Island Senior Resources is the trade name for Senior Services of Island County.

Island Senior Resources relies on community financial support. Only 33% of our funding comes from government grants. You can sustain our work by donating on our website or by mail at P.O.
