Thank you for coming to Island Senior Resources and Senior Thrift!

Through Senior Thrift and our Medical Lending Libraries, we not only provide free medical equipment and low-cost items, but we also provide an option for people who are looking for a place to recycle their housewares, clothing, medical equipment, and more! If you have useful items, we want to help you keep them out of the dump!

When Senior Thrift and our Medical Lending Libraries are unable to take your donation, please consider the other thrift stores and medical equipment lending libraries on Whidbey.

Whidbey Island Thrift Stores

Donate your gently used clothing, households, furniture, tools, etc. to thrift stores on Whidbey Island. Each store supports a specific charity, and they all have their own specialty area and list of items that they can accept.
